Dear Commissioners:

As a representative of the CCS staff and consumers, I would like to thank you and the citizens of Miner County for your continued support of Community Counseling Services. For the year 2027, we are requesting an allocation of \$14,000. At the present time, allocations are used to help cover the agency's costs of County mandated obligations, court-ordered services, and services for low income families of the County.

If you have questions or need further information, Belinda Grave, Executive Director, would gladly meet with the Commission. Please contact Belinda, if you are interested in scheduling a meeting. Thank you for your support and commitment to Community Counseling Services.

Sincerely,

Melissa J. Hofer
Chief Financial Officer
